

MOBILE PHONES – STUDENT USE

PURPOSE

To explain to our school community the Department's and Skene Street Specialist School's policy requirements and expectations relating to students using mobile phones [and other personal mobile devices] during school hours.

SCOPE

This policy applies to:

1. All students at Skene Street Specialist School and,
2. Students' personal mobile phones brought onto school premises during school hours, including recess and lunchtime.

DEFINITIONS

A mobile phone is a telephone with access to a cellular (telecommunication) system, with or without a physical connection to a network.

POLICY

Skene Street Specialist School understands that students may bring a personal mobile phone to school, particularly if they are travelling independently to and from school.

At Skene Street Specialist School:

- Students who choose to bring mobile phones to school must have them switched off and securely stored during school hours
- Exceptions to this policy may be applied if certain conditions are met (see below for further information)
- When emergencies occur, parents, carers or kin should reach their child by calling the school's office or school bus phones

Personal mobile phone use

In accordance with the Department's [Mobile Phones — Student Use Policy](#) issued by the Minister for Education, personal mobile phones must not be used at Skene Street Specialist School during school hours, including lunchtime and recess, unless an exception has been granted, such as the school bus.

Where a student has been granted an exception, the student must use their mobile phone for the purpose for which the exception was granted, and in a safe, ethical and responsible manner.

Secure storage

Mobile phones owned by students at Skene Street Specialist School are considered valuable items and are brought to school at the owner's (student's or parent/carer's) risk. Students are encouraged not to bring a mobile phone to school unless there is a compelling reason to do so. Please note that Skene Street Specialist School does not have accident insurance for accidental property damage or theft. Students and their parents/carers are encouraged to obtain appropriate insurance for valuable items. Refer the Department's [Claims for Property Damage and Medical Expenses policy.](#) [\[If your school wants a local Personal Property Policy that is consistent with the Department's policy, there is a template available on the School Policy Templates Portal\].](#)

Where students bring a mobile phone to school, Skene Street Specialist School will provide secure storage. Secure storage is storage that cannot be readily accessed by those without permission to do so. At Skene Street Specialist School students are required hand their phones to the Class Teacher who then stores their phones in a lockable cabinet.
