8th December 2025

Dear Parent/Guardian,

Skene Street Specialist School is looking forward to another great year of teaching and learning and would like to advise you that the School Council have made the decision not to ask for voluntary financial contributions from parents for the 2026 school year.

Schools provide students with free instruction to fulfill the standard curriculum, and we want to assure you that all our students are also provided with general stationery, art supplies, food technology supplies and other items to assist them for the school year.

For further information on the Department's Parent Payments Policy see a one-page overview attached.

Yours sincerely,

Belinda Wethers – Principal Belinda Wethers

Ray Jobling – School Council President RAY JOBLING
